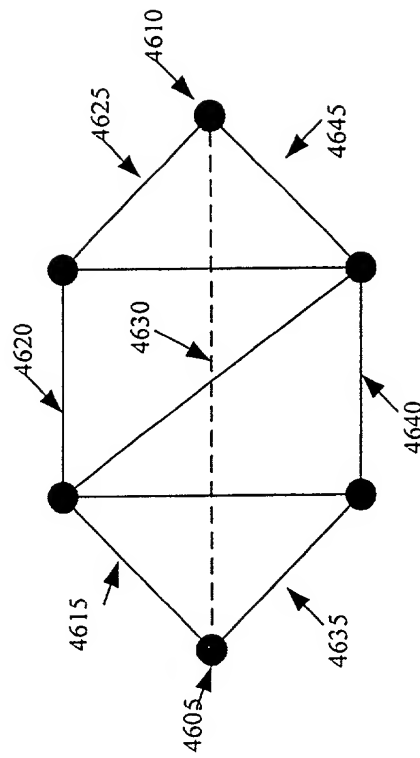

Figure 46

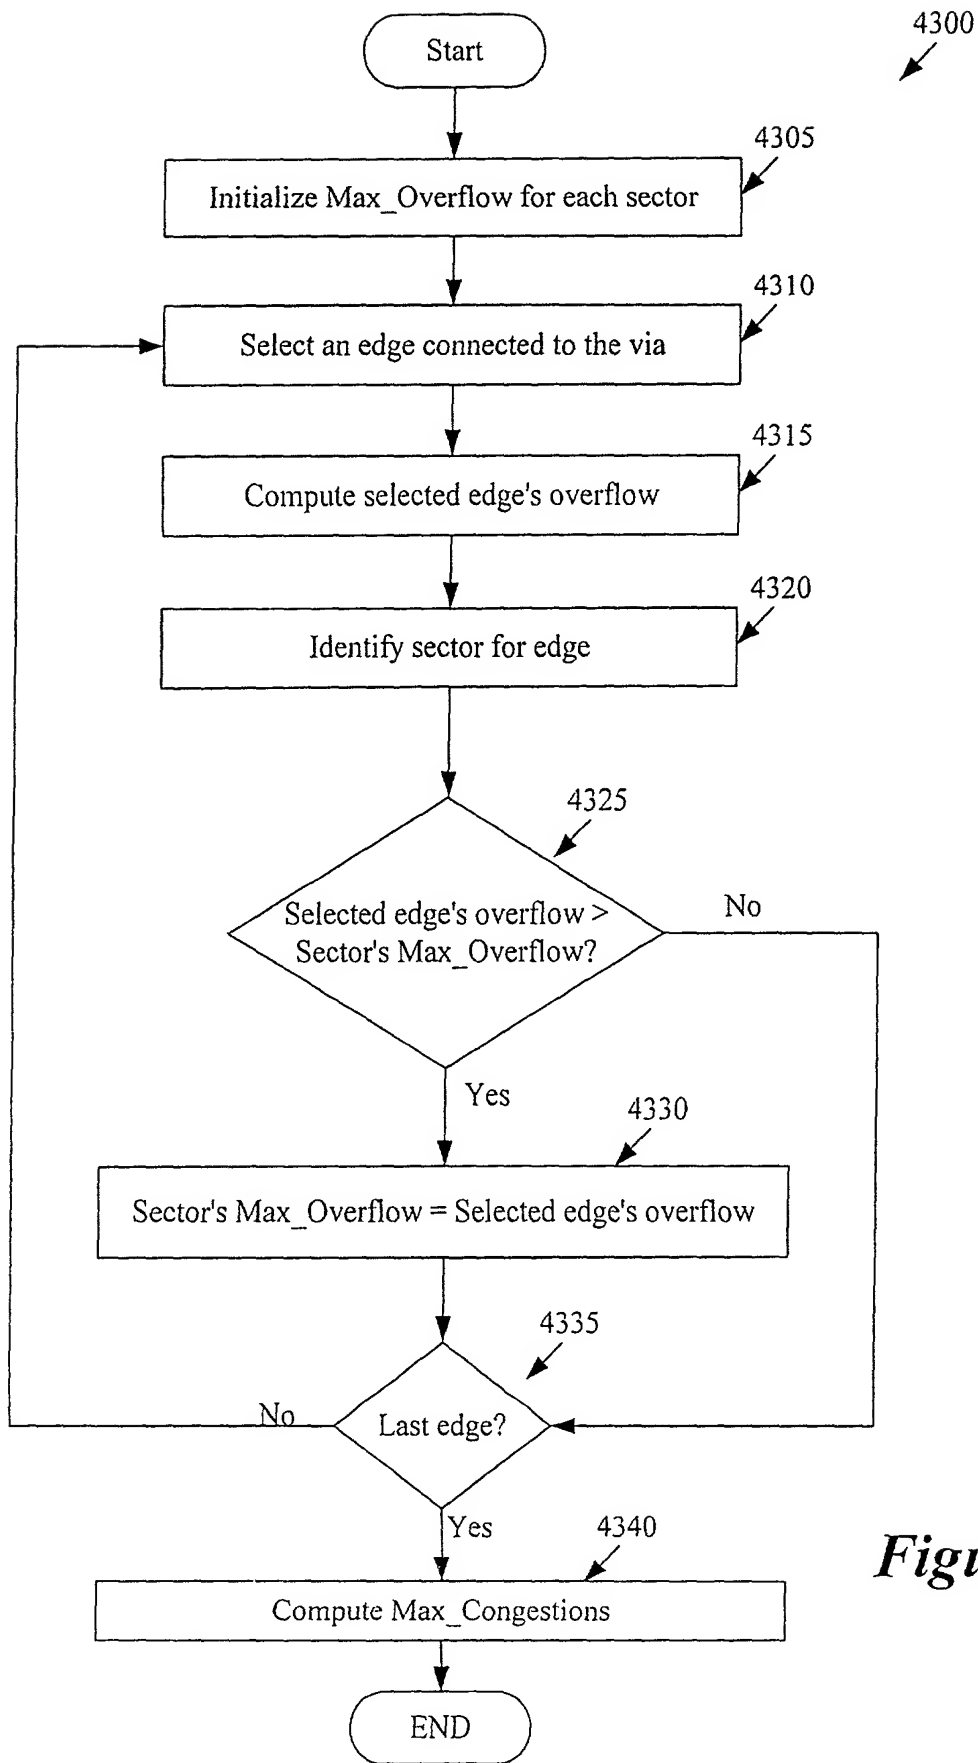

Figure 43

Figure 1 is a schematic diagram of a building layout. The layout includes a large central area with a square room on the left and a rectangular room on the right. A curved line, labeled 4710, separates the central area from a smaller area on the right. A line, labeled 4705, is shown on the right side of the diagram.

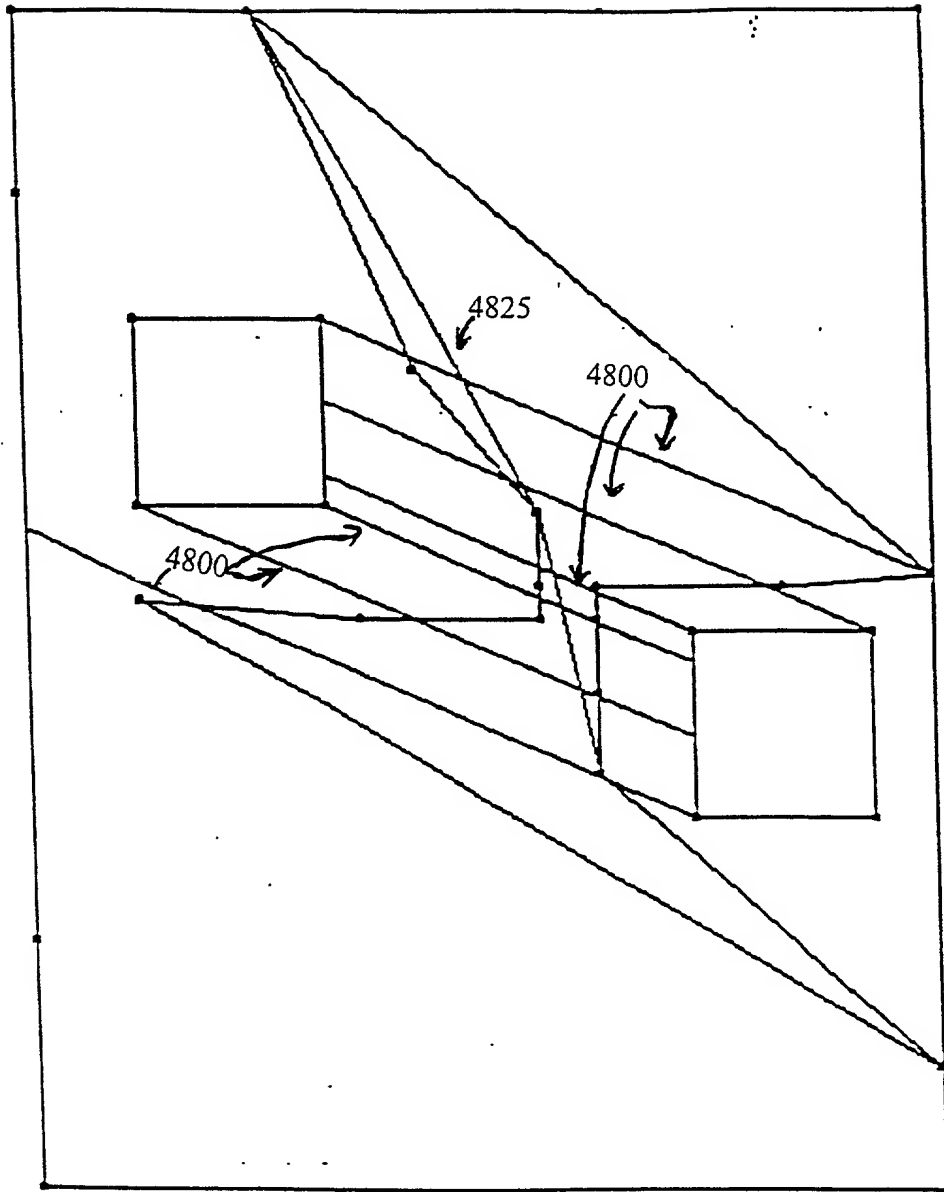

FIGURE 48C

Figure 1 is a schematic diagram of a rectangular frame 4800. The frame is defined by four vertical lines. A diagonal member 4830 is positioned within the frame, extending from the top-left corner towards the bottom-right corner. Two square members, 4810 and 4820, are located within the frame. Square member 4810 is positioned in the upper-left quadrant, and square member 4820 is positioned in the lower-right quadrant. The diagonal member 4830 passes through the center of the frame, intersecting the two square members.
